

NIM QUARTET

Nim Quartet

Press Quotes

'Nim Quartet' consists of a heady cocktail of international musicians making its mix of cultures one of the quartet's many strengths. In the studio they have developed a sensational variety of sounds that easily translate into their pulsating live performances – creating fascination for the listener via an extraordinary density of sound, catchy melodies, and the culture of their musicianship. 'Nim Quartet' present fusion jazz in a dynamic new light!

- **Rhythm Passport**

'Nim Quartet, who were performing their very first show and were well received by the audience thanks to their blend of blue note-influenced, cool grooves and superbly musical playing'

- **Drummer Magazine**
